

BLUEBERRY PN JAM 0% sugar– 250G

ART.nr. 194742

PRODUCT DESCRIPTION

Organic blueberry fruit spread (contains natural sugar). We use a unique process that consists of cooking the fruits under vacuum and at low temperature. With a condensator we regain the evaporated aromas and we reinsert them in the final product. This gives us big chunks of fruit, a nice color and a very intense taste. The result is very rich in flavor.
